# ATTENTION

## FULLY FUNDED TRAINING FOR INFORMAL REFRIGERATION & AC TECHNICIANS

ACRA obtained fully funded training for Refrigeration Technicians from the informal sector.

This is an opportunity to receive funded Refrigeration Training and become an Authorised Refrigeration Practitioner (safe handling of refrigerants) (personal protection equipment and funded tools will be supplied).

The envisaged training and assessments will be conducted in 5 day theoretical and practical sessions at the Air Conditioning and Refrigeration Academy (ACRA) in :

- Gauteng - Kempton Park, Johannesburg
- KwaZulu Natal - New Germany, Durban
- Northern Cape - De Beers, Kimberley

Training will commence in January - March 2025 (limited space available)

### Who qualifies:

All informal Air Conditioning & Refrigeration Technicians with a minimum of one year experience (trade test is not required).

You are hereby invited to submit the supplied Application form with a CV and ID copy via one of the following methods :

Email to [projects@acra.co.za](mailto:projects@acra.co.za) alternatively WhatsApp / SMS to [082 936 4183](tel:0829364183)
